Guide to Leaving Christianity

By returning to the Aryan Gods toward the Third Renaissance of the White Race

Christianity — The Jewish Annihilator of Soul and Body

In previous articles, I have highlighted the fact that Christianity — together with Islam, Kosher Hinduism, Buddhism, New Age philosophy and a multitude of other poisonous Kabbalistic teachings — represents one in a vast and terrifying series of different manifestations of the universal Talmudic virus of the Matrix of Parasitic Oneness — based on the Doctrine of Death — whose primary goal is the murder of the spiritual essence of the Gentile races, the complete destruction of their biological structure and, ultimately, the reduction of their entire existence to the lowest level — bacteria and amoebae. Given that this article is conceived as an uncompromising, sharp and precise Aryan polytheistic information weapon intended to expose Christianity, liberate the collective consciousness of the White Race from its enslaving occult program and cure it of its Kabbalistic poison — which is a fundamental prerequisite for achieving the final victory over its direct biological enemies (incestuous Jewish parasites) who are determined to exterminate it from the face of the Earth — I dedicated its introductory chapter to the analysis of the development process of the universal Talmudic virus of the Matrix of Parasitic Oneness, manifested in the form of the aforementioned Abrahamic religion, at the level of the entire psychophysical system of the victim (Goy), the description of its symptoms and, most importantly, the definition of its final

outcome.

The Abrahamic religion of Christianity, as a manifestation of the universal Talmudic virus of the Matrix of Parasitic Oneness, constitutes an extremely complex occult program through which Kabbalistic rabbis destroy the consciousness of the Gentile races. In structural terms, the Christian matrix can be described as a poisonous Kabbalistic network composed of a broad spectrum of electromagnetic waves arranged according to wavelength and frequency. The low-frequency electromagnetic waves within the toxic Christian (Jewish) matrix are capable of penetrating to the deepest levels of the victim's (Goy's) unconscious mind. More precisely, it is these low-frequency electromagnetic waves, which contain piles of extremely toxic Abrahamic (Christian) information, that represent the invasive energy threads through which parasitic spiritual entities, belonging to the race of reptilian bloodsuckers known as Yahweh (which experiences its direct physical manifestation in the form of Jews), penetrate the psychophysical system of man (Goy). Every poisonous piece of information within the spiritual virus of Christianity contains at least one parasitic Jewish entity thirsting for Gentile blood.

The process of infecting the psychophysical system of the victim (Goy) — in this case, the White (Aryan) person — with the Abrahamic virus of Christianity occurs in such a way that Kabbalistic rabbis transmit its toxic information — low-frequency electromagnetic waves inhabited by parasitic Jewish entities — to the victim's neurotransmitters, which then relay it to the unconscious level of the victim's being. After the parasitic Jewish entities, carried by Abrahamic (Christian) information, penetrate the unconscious level of the White man's being, they sever him from his Aryan (Hyperborean) Gods. In this way, Jewish parasites carry out, both at the individual and collective levels, the process of spiritually castrating White people, severing them from their Ancestors — the Aryan Gods. Having severed the White Man from his Natural Racial Protectors (Aryan Gods), the Jews connect his subconscious brainwaves to Yahweh — a race of bloodthirsty reptilian beasts — who thereby gains access to all segments of his psychophysical system. Having gained control over the unconscious mind of the White man, the Kabbalistic rabbis transform this level of his being into a breeding ground for parasitic Jewish entities. At this stage, the Jewish parasites carry out a process of spiritual (non-surgical) lobotomy on the White man's brain, which involves the complete erasure of ancient Aryan history from the unconscious level of his being, which is replaced by vast quantities of Kabbalistic poison — Abrahamic (Biblical) lies. By filling every segment of the unconscious sphere of the human (Goy) mind with Abrahamic (Christian) poison, Kabbalistic rabbis gain com-

plete freedom, through precisely guided parasitic Jewish entities, to shape the consciousness, dreams, fears, and beliefs of their victim — the lobotomized biorobot — and to steer their mental processes in whatever direction they wish.

Neurotransmitters — chemical compounds that transmit signals between neurons in the brain — play a key role in programming the consciousness of a lobotomized biorobot. Neurotransmitters exchange information perceived at the cognitive and sensory levels of human consciousness and thereby determine the brain's operating mode. When the Jewish virus of Christianity, in the form of religious dogmas, prayers, Biblical lies, and mantras, enters a person's thought field, the harmful information it contains is automatically disseminated throughout the central nervous system via neurotransmitters. Through the individual's constant exposure to this harmful (Jewish) religious content, a fundamental mechanism for the exchange of neural impulses in the brain is established. In other words, through this method of neurological programming, Kabbalistic rabbis have established an Abrahamic (Jewish) mode of operation in the human (Gentile) brain. The thought processes of billions of Christians (as well as Muslims) — lobotomized biorobots — operate exclusively according to the Jewish pattern prepared for them in advance by Kabbalistic rabbis. Everything that these lobotomized sheep consider to be "their own" thoughts and beliefs are, in fact, the words of their Jewish masters, which they blindly repeat.

This type of Abrahamic (Kabbalistic) indoctrination transforms all individuals who have been exposed to it since early childhood into obedient biorobots (spiritually castrated slaves), who think with a Jewish brain and blindly obey all the commands of their parasitic masters. It is precisely this fact that provides a clear explanation for why leaving the Abrahamic (Jewish) matrix is an extremely long and difficult process for these individuals — since the brain's mode of operation (the mechanism of exchange of neural impulses within it) must be completely changed.

At the level of the unconscious mind of these lobotomized Abrahamic biorobots (Christians), Kabbalistic rabbis create an image of the Jews as "God's chosen people," to whom they are obliged to submit unconditionally and place at their disposal all their spiritual and material resources. In this way, billions of Christian Gentiles are already programmed, at the unconscious level of their beings, to function as obedient Jewish slaves in their daily lives. After this poisonous (parasitic) idea became firmly entrenched in the unconscious mind of the lobotomized Christian Gentiles and began to spread its aggressive (predatory) roots throughout its expanses, Kabbalistic rabbis

superimposed onto it images of Jesus Christ (a nonexistent rabbi), the Virgin Mary, angels, demons, Armageddon, hellfire, etc. It is precisely this Kabbalistic (Jewish) programming of the unconscious mind of these Abrahamic biorobots that explains why many Christian mystics claim to have "seen and spoken with Jesus, the Virgin Mary, saints, apostles, or angels." However, all that these Christian biorobots have truly seen is a poisonous Jewish illusion that Kabbalistic rabbis have stored in the unconscious realm of their being. It is a common occurrence that Jewish lies (sick parasitic fairy tales) stored deep in the unconscious mind of lobotomized Abrahamic biorobots are awakened at the conscious level of their being in the form of Christian illusions — visual and auditory hallucinations — due to a certain external stimulus.

The absolute dominance of the Abrahamic virus of Christianity in the unconscious mind of the victim (the Gentile) not only enables Jewish parasites to easily paralyze the victim's innate defense mechanisms, but also gives them unlimited freedom to create, at the conscious level, a completely false perception of reality and to steer the victim's mental processes in a suicidal direction. The pure result of the mind's infection with the Christian virus is a symptom of toxoplasmosis — a condition in which the victim (Goy) feels a pathological attachment to its direct biological enemy (the Jew). Textbook examples of toxoplasmosis victims are Christian Zionists, who are willing to die for the interests of the Jews — worthless incestuous parasites.

The Jewish virus of Christianity, which has achieved complete control over the unconscious mind of the victim (Goy), produces a wide range of symptoms of personality split and clinical self-destruction at the level of their consciousness. Among these symptoms, the following stand out in particular: pathological hatred of one's own racial identity and the need to destroy it at any cost, delusional ideas (persecution/paranoia, grandeur, control/influence, and relationships), dissociative phenomena (depersonalization and derealization), mania, depression, as well as a tendency toward self-harm and suicide. Particular emphasis should be placed on the symptoms of pathological hatred of one's own racial identity and the need to destroy it, as well as on the tendency to self-harm and commit suicide, as these are always a clear sign of the imminent SPIRITUAL DEATH of the victim (Goy). Having killed the spiritual essence of the victim (the Gentile), the Jewish parasites are no longer hindered from devouring every segment of the victim's biological structure. If the victim — the Gentile/White person — does not receive the pagan Aryan antidote in a timely manner, the ultimate outcome of the infection of their psychophysical system with the Jewish virus of Christianity is: the SPIRITUAL AND BIOLOGICAL DEATH of their being.

Given the undeniable fact that Christianity is a Kabbalistic virus through which Jewish parasites (incestuous pests) kill the spiritual foundation (metaphysical essence) of their victim (the Gentile), after which they devour every segment of their biological structure, a complete cleansing of consciousness from this poisonous Abrahamic religion is a crucial prerequisite for the survival of the White (Aryan) race on Earth. As long as the collective consciousness of the White Race remains trapped within the Abrahamic matrix, any attempt to provide serious and organized resistance to the Jewish parasites will be doomed from the very outset — because it is precisely their Kabbalistic poison, on which Christianity is based, and which is deadly to all Gentiles, that will neutralize the vital energy, will, and natural (innate) anti-Semitic potential of the fighters. As I pointed out in the article "Akhenaten — an Instrument of Jewish Subversion," you cannot defeat an enemy as long as you pray to its tribal deity and offer it your life energy.

Not only will White (Aryan) people, by liberating their minds from the Christian matrix, forever secure their survival on this planet, but, by taking this fateful step, they will also remove from their faces the black Abrahamic (Jewish) veil that has rendered them blind despite their healthy eyes for the past 1,700 years. By removing the dark veil of Abrahamic (Christian) filth from their faces, White people will fully regain the ability to perceive their environment in a healthy way. Then, for the first time after 17 centuries spent in the darkness of Christianity, the eyes of members of our race will clearly and precisely see the Jews: as extremely ugly, deformed, repulsive, and in every way worthless, incestuous parasites who evoke a feeling of utter disgust in all healthy forms of life on Earth (humans/Gentiles, animals, and plants). Their minds will then clearly recognize the simple and unrelenting truth: compared to the White (Aryan) race, which is the fundamental driving force of all human civilization on this planet, Jews are worthless incestuous parasites, whose patterns of behavior — especially reproduction — are more repugnant than those of pigs, rats, and cockroaches. By illuminating their minds — both individually and collectively — with the dazzling and unrelenting flame of this truth, drawn from the eternal treasury of wisdom of the Aryan (Hyperborean) Gods (their direct biological ancestors), White people will realize that the complete eradication of the parasitic Jewish race from the face of the Earth is the noblest act of protecting all healthy forms of life on it, as well as all its beauties, from total destruction.

The death blow that White (Aryan) people will then deliver to the entire parasitic Jewish race will mark the beginning of the Third Renaissance on this planet — a New Golden Age for all humanity. All healthy forms of life on Earth — humanity (the Gentiles), as well as the entire animal and plant

kingdoms (since these two levels of existence, in all their facets, are composed of living beings with their own souls and feelings) — will be eternally grateful to us for our noble deed: the complete eradication of the cancerous tissue (the parasitic Jewish race) from the surface of this planet.

An indispensable step in the process of liberating the consciousness of the White Race from the Abrahamic Matrix is to place the written foundation of Christianity — the Bible (a vast collection of sick Jewish pornographic fantasies) — under the X-ray-precise Aryan polytheistic magnifying glass and subject it to a relentless and uncompromising analysis. The following chapter presents a sharp and precise analysis of the Jewish lies on which the Bible is based, as well as of the absurd and in every respect unnatural dogmatic and moral system of Christianity. Since the Abrahamic religion of Christianity — one of the many manifestations of the Talmudic virus of the Matrix of Parasitic Oneness — originated from the diseased Jewish mind, it is, in every respect — from its belief system to the rules governing daily life — identical to the delusions found in individuals suffering from the most severe forms of schizophrenia. Anyone who carefully studies the information presented in the following chapter can become convinced of the fact that the Abrahamic virus of Christianity is an occult Kabbalistic mechanism through which Jewish parasites, at the level of the consciousness of the Gentiles, induce schizophrenia aimed at completely degrading the structure of their minds and transforming them into severely mentally disabled individuals — lobotomized biorobots programmed for self-destruction. Therefore, liberating the mind from the Christian (Jewish) matrix is a crucial prerequisite for preserving the mental health of the White (Aryan) race.

Analysis of Biblical Lies and Absurdities

The entire Bible is, in essence, a collection of nonsensical Jewish lies that crumble like a house of cards in the face of any logical analysis. There is not a single piece of archaeological evidence, nor any historical data, to confirm that the events described in the Bible actually occurred. Biblical myths (cheap Jewish lies) represent an open negation of all the laws upon which the Cosmos is based. All the "miracles" described in the Bible, given that in each of their segments they defy, in an extremely presumptuous, primitive, and vulgar manner, all the laws of natural and exact sciences, constitute a direct

affront to sound human reason. Below is a list of evidence that completely refutes Biblical (Jewish) pseudo-history:

1. The primordial sexual predator is precisely the Jewish tribal deity Yahweh. As is known to billions of people who have had the misfortune to be exposed to Abrahamic indoctrination from early childhood, Yahweh impregnated the Jewish woman Mary, and from this union was born the "Son of God" — Jesus Christ. Therefore, the "Son of God" is nothing more than the product of "divine" rape.

2. Incest forms the basis of the biblical myth of "Genesis." According to this myth, Yahweh created the entire human race from Adam and Eve. If we analyze this Jewish myth more closely, we will discern its sickening message: that all 8 billion people on planet Earth are the product of incestuous relationships engaged in by the children of Adam and Eve in order to produce offspring to populate its surface. Medical science clearly confirms the fact that the unnatural act of incest gives rise to a wide range of genetic disorders, which manifest themselves in the offspring, both physically and mentally, in the form of severe impairments that render them incapable of functioning independently in daily life. Based on this simple law of Nature, any reasonable person can draw the following conclusion: if the Jewish myth of "Genesis" were indeed true, the entire human population today — all 8 billion people on Earth — would consist of a horde of mentally retarded and physically handicapped freaks, who would be the direct result of the unnatural incestuous relationships engaged in by Adam and Eve's children. Moreover, in this sick Biblical (Abrahamic) reality, the entire human race would be identical in every respect to incestuous Jewish freaks — parasitic pests whose entire existence on this planet is dedicated to destroying healthy forms of life (humans/Gentiles, animals, and plants) on it.

3. Christians have no idea that the "God the Father" — Yahweh — is, in essence, a parasitic reptilian race whose appetite for Gentile blood is insatiable. The fact that the Jews represent the direct physical manifestation of this cosmic parasitic race provides a clear explanation for their pathological obsession with Gentile blood. As history has confirmed countless times, the obsession of Jewish parasites with Gentile blood finds its most monstrous expression in the form of ritual murders — culminating in the act of drinking the blood of a White (Aryan) child and eating their flesh. Since the Jews are the founders of Christianity (the Abrahamic cult of death), this cannibalistic religion is nothing more than the product of their sick obsessions with Gentile blood.

4. Jesus Christ never existed. At the turn of the millennium, an entire army of Jewish religious fundamentalists suffering from the messianic syndrome lived in the territory of Palestine. By combining the biographical details of these religious fanatics, Kabbalistic rabbis created the figure of Jesus in whom Christians believe. The entire figure of Jesus Christ (a non-existent rabbi) is a Kabbalistic illusion through which the rabbis lure naive Gentiles into a deadly union with a Jewish tribal deity.

5. At its core, Christianity is a religion of death, suffering, disease, and destruction, in which the corpse of a Jew on the cross occupies a central place. The cult of the corpse enables the Jews to freely drain vast quantities of the life energy of the Gentiles and ultimately bring about their spiritual death on a collective level. As any reasonable person can conclude based on the described mechanism of how Jewish energy parasitism works, the death of the spirit is a fundamental prerequisite for the complete extinction of a race in the biological sense.

6. Christianity openly promotes cannibalism — as clearly evidenced by the rituals of eating Christ's body and drinking his blood. These perverse rituals are the pure product of the cannibalistic nature of the Jews and their sick fantasies. Whether they wish to admit it or not, Christians are spiritual cannibals, while their Jewish masters are cannibals in the literal sense of the word. Numerous cases of ritual murders provide clear evidence of the cannibalistic nature of the Jews (worthless incestuous parasites). As I mentioned earlier, these monstrous crimes — which would make any normal person feel utter horror and want to vomit — are the direct result of the parasitic Jewish race's insatiable need for the blood of the Gentiles, especially the White (Aryan) race.

7. Pathological sadism and masochism form the foundation of the Christian worldview. Christ openly advocates the gouging out of eyes, the cutting off of hands and feet, castration, and numerous other forms of bodily mutilation for the purpose of entering the "kingdom of heaven." Since this Jewish religion glorifies castration as a "deed pleasing to God," it is not only an open enemy of life, but also directly deprives the White Race of its fundamental right to reproduce and survive on this planet. The Christian promotion of castration as a "pleasing act to God" is an open call to racial suicide.

8. By observing the date of Christ's circumcision, Christianity openly celebrates the mutilation of the human body. Since Nature created the human body perfect, the ritual of circumcision irreversibly mutilates Her handiwork. In this sense, the ritual of circumcision constitutes a direct parasitic (Jewish)

affront to Nature. As a reminder, circumcision is a sadistic ritual of genital mutilation that Jews inflict on their own newborn babies (just 8 days old), culminating in the pedophilic act of sucking on a child's bloody penis. By celebrating the sadistic ritual of circumcision — an atrocious act of child abuse that inflicts severe and irreparable harm on the psychophysical system of newborns — Christianity openly justifies the crime of pedophilia. The numerous cases of child sexual abuse by Catholic clergy are a direct consequence of Christianity's positive attitude toward pedophilia — an abhorrent, sick, and unnatural practice that, along with incest, circumcision, and ritual murder, constitutes an integral part of Judaism. Moreover, Christianity's Abrahamic twin — Islam — has gone one step further by incorporating the sadistic Jewish ritual of circumcision into its mandatory religious precepts. The fact that Christianity and Islam openly celebrate and glorify the sadistic Talmudic ritual of circumcision is clear evidence that these two religions are, in essence, merely two sides of one and the same Abrahamic (Jewish) coin. No matter how much the billions of lobotomized followers of these two Abrahamic religions may avoid facing the truth, here it is clear, simple, and unrelenting: Christianity and Islam are Jewish pedophile cults that advocate for and justify all forms of sexual abuse of children.

9. Christian morality, based on self-destructive ideas such as "do not resist evil," "turn the other cheek," "love your enemies," "bless those who curse you," and "do good to those who hate you and pray for those who revile and persecute you," represents an outright negation of all healthy and natural human instincts. These suicidal ideas clearly confirm the fact that Christianity is a Kabbalistic mental virus through which the parasite (Jew) paralyzes the innate defense mechanisms of the victim (Goy), then destroys the victim's spiritual essence, and ultimately completely devours the victim's biological structure. Put more simply, Christianity is a parasitic (Jewish) mechanism designed to bring about the spiritual and biological death of the Gentile races. Due to its highly toxic esoteric (Kabbalistic) essence, Christianity should be viewed as an occult weapon through which Jewish parasites, both spiritually and biologically, are perpetrating genocide against the White (Aryan) race.

10. At the heart of the unnatural Christian "moral system" lies the poisonous Kabbalistic concept of "forgiveness." One of the key objectives of the parasitic (Jewish) concept of "forgiveness" is to destroy the Goys' capacity for moral reasoning. Through the Kabbalistic concept of "forgiveness," on which perverse Christian "morality" is based, Jewish parasites seek to legalize and justify, in the collective consciousness of the Gentiles, all unnatural, disgusting, and sickening forms of behavior — rape, human sacrifice,

pedophilia, cannibalism, necrophilia, zoophilia, the consumption of animal and human feces, homosexuality, transvestism, transgenderism, etc. — which would evoke utter horror in healthy and rational human beings. If the Kabbalistic concept of "forgiveness" were indeed true, absolutely anything would be permitted — including the abominations described above, which originate from the parasitic (Jewish) mind and make any normal person want to vomit. In such a sick world, anyone could do whatever they wanted — kill, rape, steal, engage in the most abhorrent sexual perversions — because everything would be forgiven and blessed in advance. For example, a worker who had a bad day at work could grab an automatic rifle, carry out a massacre at his company, and then repent — and he would automatically be forgiven for everything. Worse still, pedophiles and all other sexual degenerates could commit crimes that common sense cannot even imagine, then recite a few Hail Marys — and they would be forgiven for everything instantly. The devastating fact that, throughout the Western world, immigrants of color (Negroid Africans and Dravidians, Arabs, Mestizos, etc.) rape and murder White women, children, and the elderly in broad daylight — and every one of their crimes goes unpunished — is a direct consequence of the prevailing Christian (Jewish) doctrine of forgiveness.

11. The Jewish tribal deity Yahweh openly demands the sacrifice of children, as evidenced by the example of when he commanded Abraham to slaughter his own son. Under no circumstances would a benevolent God issue such a horrific command to His followers, nor would He subject them to perverse mind games.

12. The Old Testament "prophets" were known to be extremely immoral and deceitful individuals, prone to all manner of manipulation, lies, and deception. For example, Lot readily handed over his two daughters to the inhabitants of Sodom to be used as their sexual objects in orgies, in order to spare the "angels of the Lord" from disgrace. This Jewish "righteous man" literally said: "My brothers, do not do wrong. I have two daughters who have never had sexual relations with a man. Let me bring them out to you, and you can DO WITH THEM AS YOU PLEASE, but do nothing to these men…" (Genesis 19:7-8). The "righteous" and "moral" father Lot gave the perverse inhabitants of Sodom unlimited freedom to sexually abuse his daughters. Whether lobotomized Christian biorobots like it or not, the morality of this Jewish "righteous man" can only appeal to the worst human scum — because no normal father would hand over his daughters to public disgrace; rather, he would do everything in his power to protect them. From the pagan Aryan perspective, any father who refuses to protect his daughter's honor deserves to be killed on the spot — and it is precisely this simple rule, stemming from

the innate intellectual genius of the White Race (the source of rational and civilized life on Earth), that was enough to deal a death blow to the entire Abrahamic (Jewish) "morality" once and for all.

13. In the Bible, incest, as an integral part of Judaism (which I mentioned under point 8), is openly justified and presented as normal behavior. Abraham, of whom the Jews are so proud, married Sarah, who was his half-sister on his father's side (Genesis 20:12). Later, acting as an experienced pimp (a profession practiced by Jews since time immemorial), he placed her in the bed of Pharaoh (Genesis 12:13–16) and of King Abimelech (Genesis 20:2). Lot's two daughters had regular sexual relations with their father, which included a wide range of the most depraved perversions. From incestuous relations with Lot, his two daughters gave birth to two entire Jewish lineages — the Moabites and the Ammonites — along with all their descendants (Genesis 19:30–38). Joseph, who married the "sinless virgin" Mary, was her uncle. These Bible passages are a typical example of the "morality" and "righteousness" that lobotomized Christian biorobots admire.

14. Many Old Testament "prophets" were monstrous murderers — primitive butchers — who committed genocides against neighboring Gentile peoples. Upon returning from their reconnaissance of the "Promised Land," Joshua and Caleb openly call for the extermination of all the Gentiles inhabiting Canaan: "…do not be afraid of the people of the land, for they are our food" (Numbers 14:9). Christian biorobots who admire this series of genocides committed by the parasitic Jewish race against innocent people — including pathological atrocities against women, children, and the elderly — have serious mental health issues and require professional help. Based on the examples presented from the Old Testament, any reasonable person can conclude that love for incestuous Jewish parasites, as well as admiration for their bestial nature, are always clear indicators of severe mental retardation.

15. It is well known that the early Christians were a mob of illiterate thugs, drunkards, and sexual perverts united by Abrahamic (Jewish) religious fanaticism. All of their communities were hotbeds of the worst sexual perversions. This mob, made up of the worst elements of society and possessed by an indescribable religious madness, plundered populations throughout the Roman Empire (and during their campaigns often sexually assaulted victims regardless of their gender or age), killed "infidels," destroyed pagan (Aryan) temples, and burned libraries. In every respect, the early Christians were identical to the fanatical fighters of the Islamic State (ISIS) — which, from start to finish, was a project of the Israeli intelligence service (Mossad). Since Abrahamic religious fanaticism completely sup-

pressed the already extremely limited intellectual capacities of these scoundrels and thugs, the early Christians served the Jews as the perfect tool for destroying classical civilization.

16. Most Christians are fascinated by the biblical myth of the "Great Flood," Noah, and his sons. Thanks to decades of intensive Abrahamic programming (mental abuse) to which they have been subjected since early childhood, these brainwashed sheep literally believe in the insane Jewish theory that all 8 billion people living on this planet are the direct descendants of Noah and his three sons — Shem, Japheth, and Ham. However, whether the lobotomized Christian biorobots like it or not, Noah, Shem, Japheth, and Ham did not exist at all. A cataclysm like the biblical flood, if it had actually occurred, would have been recorded in the historical archives of all ancient civilizations — and not only would it have been described as an apocalyptic interruption of the development process of the entire human race, but it would also have been precisely identified as the starting point from which their peoples would have counted time. In such an alternative reality, Noah, Shem, Japheth, and Ham would be recorded in the historical archives of all these civilizations as the only people who survived this global catastrophe, and as such, they would be granted the status of saviors of the entire human race. Moreover, under such circumstances, Noah and his two sons — Shem and Japheth — would be clearly and precisely identified in the historical archives of all ancient civilizations as their direct founders. On the other hand, illiterate races of color, such as the Negroid tribes living throughout Africa, the North American and South American natives, as well as the Aborigines in Australia, would in that case have preserved the memory of Noah's third son — Ham — in their oral traditions and venerated him as their distant ancestor. As is well known to any reasonable person who possesses at least a basic knowledge of history — not to mention academic experts in this humanistic and social science — none of the ancient civilizations mentions Noah and his two sons — Shem and Japheth — nor does the name of the third son — Ham — of this biblical "prophet" appear in the mythology and oral tradition of primitive races. The only place where these non-existent figures appear is in the sick Jewish imagination, which, since time immemorial, has been producing mental viruses aimed at destroying the spiritual essence of the Gentile races.

17. There is no archaeological evidence or written documents to confirm that the Jewish "Exodus" from Egypt under Moses' leadership actually took place. The ancient Egyptians were known for their systematic, meticulous, and exceptionally precise recording of all historical events. The meticulousness of ancient Egyptian chroniclers in describing historical events

entailed the systematic and painstaking recording of even the smallest details of the political, social, religious, and cultural life of their civilization. By comparison, their fellow chroniclers from neighboring countries would have calmly declared a wealth of information of this kind to be "irrelevant" and would have completely ignored it. Therefore, if the exodus led by Moses had indeed occurred, it would not have escaped the keen eye of Egyptian chroniclers, who would have described it in official documents down to the smallest detail. However, whether lobotomized Christian biorobots like it or not, nowhere in Egyptian historical chronicles is there any mention of an "Exodus" or of a Jew known as "Moses."

18. Jewish slavery in Egypt is also an obvious lie. According to the biblical myth, the Jews spent 430 years as slaves in Egypt (Exodus 12:40), residing in the Goshen region, which encompasses the eastern part of the Nile Delta. After such a long period of slavery, throughout the Nile Delta, and especially in the Goshen region, one would expect to find tons of the remains of "enslaved" Jews. However, even after the most extensive archaeological excavations conducted in that geographical area, not a single mortal remnant of these "enslaved" Jews has been found. In light of these facts, derived from extensive archaeological research, we can conclude with complete certainty that the Jews were never slaves in Egypt.

19. In reality, the Egyptians were, in the literal sense of the word, slaves of the Jews. Through their puppet known as Akhenaten, the Jews imposed the monotheistic (Abrahamic) cult of Yahweh in Egypt and transformed that country into a communist dictatorship. After they forcibly collectivized all food supplies, an unprecedented famine (the ancient Holodomor) struck the country, decimating its population — the innocent Egyptian people. With the entire Egyptian people driven to despair, its members were forced to sell all their property to Jewish parasites for a ridiculously low price in order to survive. After being left with nothing, these desperate people would be sold into slavery to the Jews. No matter how much academic prostitutes (Zionist mercenaries) in the field of history avoid drawing a logical conclusion based on a wealth of credible data, the period of Akhenaten's communist dictatorship in Egypt represents a Talmudic blueprint for the monstrous genocide (Holodomor) that Jewish parasites committed against the White (Aryan) race in the USSR in the 20th century — killing 60 million of its members, whose corpses filled mass graves throughout Eastern Europe and Siberia. Since the true racial (Jewish) identity of the communist criminals responsible for this genocide is an open secret, the kosher-approved governments in Russia and Eastern European countries automatically block any attempt to investigate these mass graves.

20. The Biblical tales (sick, parasitic fantasies) about the systematic killing of Jewish male newborns in Egypt are also a preposterous lie — believable only to a complete idiot. If the Egyptians had indeed killed every Jewish male newborn over a period of 430 years, the entire Jewish race would have been wiped out long ago. As readers can conclude, very simple mathematical principles completely refute the Biblical nonsense (Jewish lies).

21. Lobotomized Christian biorobots also forget a multitude of geographical and historical facts that completely refute the biblical (Jewish) myth of the "Exodus." For example, the Sinai Peninsula, to which the Jews led by Moses "fled," was under the strong military rule of the Egyptian pharaohs due to its extremely important strategic position on the political map of the Near East (which has not changed to this day), as well as its significant mineral resources (turquoise and copper). Moreover, during the historical period in which rabbis and Christian theologians place the "Exodus" (1490–1446 BCE), the entire land of Canaan (Palestine, Lebanon, western Jordan), a significant part of Syria, as well as the far south of present-day Turkey, belonged to the Egyptian Empire. Under such circumstances, the Jews, by massively relocating to the land of Canaan, could not have "fled" from Pharaoh's army at all — since that province belonged to the Egyptian empire. The epic biblical "flight" (Exodus) to Canaan would literally mean moving from one Egyptian province to another — and for that reason, its entire concept is in direct contradiction to common sense. The fact that just a few historical facts — so simple that they are taught in elementary school — are enough to bring down all the Biblical (Jewish) fairy tales (a mass of rotten lies and sick, parasitic fantasies) like a house of cards provides a clear and precise explanation for the pathological Christian hatred directed at anyone who dares to use common sense and logic.

22. The fact that the Biblical fairy tales directly contradict very simple mathematical laws (which even elementary school children can understand) is a clear reflection of the arrogance, megalomania, and a host of dangerous delusions that pervade all segments of the sick Jewish mind, which poses a danger to all of humanity. According to the Book of Exodus (12:37–38), approximately 600,000 adult Jewish men (not counting women, children, and the elderly) left Egypt under Moses' leadership. The Book of Numbers (1:46) provides a more specific figure of 603,550 Jewish men aged 20 and over who participated in the "Exodus." When women, children, and the elderly are added to the figure of over 600,000 adult males aged 20 to 60 (making them eligible for military service), the total number of Jews who left Egypt during the "Exodus" would range from 2 to 3 million individuals. As can be deduced

from the numerical nonsense presented in the Bible, a vast Jewish community — which, in this case, would number 3 million — could in no way have escaped from the land of Goshen in just one night, or more precisely, a few hours after Passover (Nisan 15), and in just one week have traversed the entire Sinai Peninsula on foot and reached the shores of the Red Sea — without being intercepted by the Egyptian army at any point. In reality, given that powerful Egyptian military garrisons were deployed throughout the Sinai Peninsula — thanks to its extremely important strategic position, its mines, and the numerous trade routes that intersected there — the Pharaoh's elite divisions would have intercepted the "fugitive" Jews in record time and returned them to the land of Goshen.

23. The absurd biblical claim that Moses had over 600,000 militarily capable Israelite men at his disposal when he left Egypt reveals yet another dimension of the boundless arrogance and megalomania of these incestuous Jewish parasites, who have never even made an effort to make the lies on which they raise their own children at least a little more convincing. The total number of soldiers that ancient Egypt had at the height of its power — during the New Kingdom period, in which the Jewish fairy tale of the "Exodus" is set — was approximately 150,000 and included all infantry divisions and chariot battalions, deployed in garrisons and reserves — far fewer than Moses' imaginary army mentioned in the Bible. The myth of the "Exodus" becomes even more ridiculous when we recall that, in June 1812, Napoleon Bonaparte launched an invasion of Russia with 600,000 soldiers. In the Kabbalistic alternative reality portrayed by this megalomaniacal biblical myth — which is nothing more than one among a multitude of delusions of grandeur harbored within the sick Jewish mind — Moses would have commanded an army that would not only be far larger than Pharaoh's, but would also be numerically on par with the armed forces of today's developed nations. In view of the numerical absurdities that abound in the Bible, which in every respect defy even the most basic mathematical laws, it is our duty as White racial nationalists to pose a direct question to Jewish rabbis blinded by megalomaniacal delusions: Since, according to your claims, Moses — who is in reality a pseudo-historical figure — had 600,000 combat-ready men at his disposal at the time of the "Exodus," why did he flee Egypt at all, when he could have easily defeated Pharaoh's significantly weaker army? Before they even open their pedophile mouths — with which they regularly suck on children's bloody genitals — to utter some cheap lie, we should cut them short with the following sentence: No matter what mental acrobatics you engage in, you cannot provide a valid answer to a single logical question (and you know this very well), because the entire "history" of your parasitic Jewish race is a mass of dangerous delusions stemming from your sick minds, with which you

drug yourselves on a daily basis and through which you program the consciousness of your own children.

24. The biblical myth of how "Yahweh stopped the Sun" so that the Jews, led by Joshua, could fight the Canaanites during the day is a blatant denial of all the laws of celestial mechanics. As anyone who has completed at least elementary school knows, the Sun does not orbit the Earth; quite the opposite — it is the Earth that orbits the Sun. Our planet's motion through cosmic space is defined by two rotations: one around the Sun, which takes 365 days, and one around its own axis, which takes approximately 24 hours. According to this biblical myth (yet another sickening Jewish fairy tale), Yahweh would literally have to stop the Earth's rotation around the Sun, as well as its rotation on its own axis, in a matter of seconds. Since both of these Earth rotations occur at tremendous speeds, their abrupt cessation would cause a cataclysm on our planet that would destroy all forms of life on it. In such an apocalyptic scenario, everything on Earth would be hurled hundreds of miles eastward at an unimaginable speed — entire mountain ranges (such as the Himalayas, the Andes, the Rocky Mountains, the Alps, the Caucasus, etc.) would collapse like houses of cards, all human settlements would be wiped out in an instant, there would be massive shifts of tectonic plates and continents, and giant tsunamis would rise on the ocean surfaces, engulfing everything in their path. There is truly no need to remind readers that none of this has happened. To point out to any reasonable person that these sick biblical (Jewish) fairy tales have absolutely no basis in reality and that, as such, in every segment, they deny all the laws of natural and exact sciences, is the same as reminding them of the fact that elephants cannot fly. If, in the distant past, planet Earth had indeed been brought to a halt in an instant, no form of life would exist on it today (including the Christian biorobots who blindly believe in this fairy tale, as well as their parasitic Jewish masters).

25. Many Jewish "prophets," "saints," and "apostles" suffered from temporal lobe epilepsy. Numerous extensive scientific studies in the field of neurology have been published on this permanent brain disorder. The main symptoms of this form of epilepsy are: monotheistic ideas, "prophetic visions," a sense of "oneness with God," an abnormal attachment to Jewish religious symbols (Star of David, cross, Jesus Christ, Virgin Mary, etc.), and a distorted perception of reality. Akhenaten exhibited symptoms of temporal lobe epilepsy. The "prophetic visions" and hallucinations of Paul of Tarsus, as well as those of many other Christian (Jewish) "saints" and "apostles," are clear symptoms of this disease. The first part of the documentary "The Truth About Eastern Spirituality — What They Don't Want You to Know" by White Mage, owner of the Bitchute channel Hyperborean Research, explains tempo-

ral lobe epilepsy in greater detail. I would recommend that readers visit this channel, as it not only represents a vast treasure trove of valuable knowledge in the field of original Aryan (Hyperborean) polytheistic spirituality (with a particular focus on the occult plane of existence and the phenomena arising from it) and the ancient history of the White Race, but also offers viewers a wealth of extremely useful information regarding the parasitic (Jewish) subversion of humanity.

Notwithstanding the fact that, in this study, tons of evidence completely refuting Jewish pseudohistory could have been provided (in which case it would have grown into a voluminous book), the 25 examples presented above are more than sufficient to lead any reasonable person onto the path of liberation from the shackles of Christianity. Based on the facts presented, it can be concluded with absolute certainty that the Bible, as a pure product of the sick Jewish mind, is a collection of the most depraved pornographic material, including stories of incest, rape, debauchery, genital mutilation, genocide against the Gentiles, etc. In comparison to the masterpieces of White (Aryan) literature and philosophy, which, through the depth of their metaphysical essence and the richness and beauty of their authors' verbal expression, captivate and inspire admiration in readers, the Bible is a vast dump of violent Jewish pornography — and, as such, can only appeal to extremely deranged individuals. Due to its content, which evokes a feeling of utter disgust in any normal person, the Bible is a direct parasitic (Jewish) affront to the innate creative and intellectual genius of the White (Aryan) race. The fact that White Christians admire the Bible — a collection of violent Kabbalistic pornography — and, through such behavior, allow incestuous Jewish parasites to insult their intelligence, is yet another in a long list of justified reasons why we should finally excommunicate these lobotomized Abrahamic biorobots from our race. Since Christian biorobots worship worthless incestuous Jewish parasites as "God's chosen people" and daily give them their life energy, they have no right to call themselves White (Aryan).

If an individual subjects the Christian value system to objective analysis, they will very quickly become convinced of the fact that this Jewish religion (a spiritual virus) not only glorifies ignorance, stupidity, and mental retardation as "blessed virtues," but also presents them as essential prerequisites for entering the "kingdom of heaven," while at the same time condemning common sense, logic, intelligence, and knowledge in the worst possible way and declaring them to be manifestations of "absolute evil" (the Devil). Considering the pathological hatred that Christianity harbors toward all aspects of sound human reason, the most monstrous manifestation of which was the Inquisition (a colossal Abrahamic mafia corporation) responsible for

the brutal torture, mass slaughter, and burning at the stake of millions of the finest White (Aryan) people, we can definitively characterize it as a parasitic mental virus (a Kabbalistic thought matrix) through which Jews — both individually and collectively — systematically destroy the intellectual consciousness of the Gentiles. Whether or not it pleases the lobotomized Abrahamic biorobots who worship a nonexistent rabbi (Jesus Christ), Christianity represents one of the most monstrous manifestations of pathological Jewish hatred toward the White (Aryan) race.

At the end of this chapter dedicated to the analysis of biblical lies and nonsense that not even a preschool child can believe, I would advise readers of the White racial nationalist orientation to stop wasting their precious time and effort on endless and in every respect exhausting discussions with lobotomized Christian biorobots who deliberately turn a blind eye to irrefutable facts and clear evidence, lie to themselves and their environment, and provoke and insult anyone who refuses to submit to their Jewish cult of death and destruction. Since the psychophysical system of Christian biorobots is inhabited by a bunch of parasitic Jewish entities that shape their consciousness and control their mental processes, they cannot understand the truth even if the interlocutor explains it to them in a vocabulary intended for a five-year-old child.

Christian Malice

An insatiable hatred toward anyone who refuses to accept their Abrahamic cult of death, malice, narcissism, and a sense of moral superiority are traits that precisely define lobotomized Christian biorobots, and which stem directly from the horde of parasitic Jewish entities that inhabit their psychophysical system, manipulate their minds like a toy, and steer their mental processes in whatever direction they wish. The malice of "White" Christians (who, in essence, are only ostensibly members of our race) has reached such proportions that they rejoice at the prospect of hundreds of millions of innocent Aryans — including their pagan ancestors, to whom they owe their entire existence — burning eternally in hell simply because they refused to submit to a worthless Jewish tribal deity (Yahweh). Moreover, Christian biorobots openly celebrate the criminal Abrahamic religion through which

incestuous Jewish parasites committed a series of genocides against entire generations of their pagan ancestors in the Middle Ages. This unnatural way of thinking and behaving is reason enough to declare Christians racial traitors — and to turn our backs on them for all time. Given that Christian biorobots have renounced their own White racial ancestors and accepted worthless, incestuous Jewish parasites as their absolute masters, they certainly do not deserve our compassion. The fate that lobotomized Christian biorobots truly deserve is this: to be allowed to perish in the ruin intended for them by their Jewish masters.

Lobotomized Christian biorobots can hate Islam all they want, but that cannot change one obvious fact: they are identical to Muslims in every way. For example, Muslim biorobots also rejoice at the prospect that hundreds of millions of innocent people — "infidels" — will burn in hell for eternity simply because they refused to submit to their Abrahamic (Jewish) death cult — Islam. In this sense, Christians and Muslims are lobotomized Abrahamic twin brothers born from the poisonous seed of the same Jewish father. In their desperate efforts to justify their own delusions, Christians and Muslims may employ a wide variety of mental acrobatics, but none of their tricks (cheap lies) can change a simple and relentless truth: only individuals whose intellectual faculties have been severely damaged by the Abrahamic virus can rejoice at the eternal suffering in hellfire of billions of innocent people — whose sole "crime" is not believing in a worthless Jewish tribal deity (Yahweh) and refusing to submit to his narcissistic ego. Whether these lobotomized Abrahamic biorobots like it or not, no normal person rejoices in the eternal suffering of billions of people they have never met, whose existence they were not even aware of, and who have never done them any harm.

Because of their unnatural and profoundly unjust worldviews, Christians and Muslims truly deserve to be defined as narcissistic Abrahamic moral scum who, driven by worthless Qur'anic-Biblical fairy tales about "paradise," have renounced their own racial heritage and take pride in faithfully serving incestuous Jewish parasites. Moreover, these lobotomized Abrahamic "righteous ones" allow themselves such audacity that they condemn billions of innocent people, who refuse to submit to their death cults and serve the parasitic Jewish race, to eternity in hell. While, on the one hand, they label innocent people as "infidels" and condemn them to eternity in hellfire, Christians and Muslims (lobotomized slaves of Jewish parasites) allow themselves all manner of immorality and, behind closed doors, regularly engage in a wide range of sexual perversions — most notably homosexuality, pedophilia, polygamy, and incest. The unnatural teachings of their Abrahamic religions (Christianity and Islam), which are nothing more than Jewish cults of suffer-

ing, death, and destruction, provide them with the perfect justification for all the abominations to which they are addicted and which they engage in on an almost daily basis.

The fact that Christians wish eternity in hell upon millions of innocent White people who have refused to submit to their beloved Kabbalistic religion — the Jewish cult of death — exposes them as lobotomized tools in the hands of the Jews, intended to destroy the spiritual foundation of the Aryan race. As readers can conclude from the information presented in the introductory chapter of this article, the destruction of the spiritual foundation of a particular Gentile race is the fundamental prerequisite for its biological extinction.

As much as this irritates the lobotomized Christian biorobots, we true White racial nationalists do not care in the least that they will tell us we will burn in hell for eternity because we do not worship their worthless Jewish "god." If they ask us, we would rather spend all eternity in hell with our White (Aryan) racial brothers and sisters, as well as our pagan ancestors, than one day in their Abrahamic (Christian) "paradise" surrounded by disgusting incestuous Jewish parasites.

Given the undeniable fact that within the psychophysical system of Christians reside a multitude of parasitic Jewish entities, which, by infusing their blood with vast quantities of Kabbalistic poison, have irreversibly altered their genetic material, the time has come to finally expel these lobotomized Abrahamic biorobots from the White (Aryan) race. It is precisely the hatred that Christian biorobots feel toward their own racial heritage that is a direct consequence of the irreparable damage these parasitic Jewish entities have inflicted on their genetic material. Given the extremely high degree of contamination of the blood of Christian biorobots with the Abrahamic (Jewish) virus, their insatiable hatred of their own pagan ancestors, and their pathological need to destroy all traces of the original Aryan polytheistic spiritual tradition, it is contrary to common sense to consider these racial traitors to be White. To accept lobotomized Christian biorobots into the White (Aryan) racial community would literally mean allowing enemy agents to infiltrate our ranks and, at the first opportunity, on the orders of their parasitic Jewish masters, stab us in the back. Purging the White racial community of subversive elements is one of the key prerequisites for surviving the global conflict — World War III — toward which the Jews are pushing humanity with increasing aggressiveness each day.

As part of the preparations for the impending global war, towards

which international Judaism is pushing humanity by all means at its disposal, it is necessary to initiate, throughout the former "White" nations, the process of forming homogeneous Aryan racial communities and to thoroughly purge them of all harmful elements — followers of Abrahamic religions (with a particular focus on Christians) and of kosher-approved Eastern spirituality, supporters of the New Age movement, WOKE/LGBTQ degenerates, SJW idiots, pro-Zionist conservatives, Putinists, Duginists, Alt-Right and Groypers clowns, etc — which our parasitic enemies can exploit against us at any time. Only homogeneous White (Aryan) racial communities, whose spiritual foundation lies in the original Aryan (Hyperborean) polytheism and which begin the process of leaving this Jewish-Globalist system in a timely manner, will be able to survive the impending Third World War. These homogeneous Aryan communities will not only constitute the elite of the White race in every respect, but will also represent its healthy spiritual and biological core from which, after the apocalyptic global conflict — the Third World War — the Fourth Reich of the Future — the New Golden Age of humanity — will emerge on this planet. White (Aryan) brothers and sisters reading this article, the time has come, in accordance with the guidelines presented, to move towards the New Golden Age — the Third Renaissance of our race.

Conclusion — Towards the New Dawn of the White Race

In the concluding chapter of this article, it is of utmost importance to highlight the fact that the Christian virus, having originated in the parasitic minds of Jewish rabbis — filthy Kabbalistic dungeons filled with chaos, as well as indescribable horror and madness — took on its verbal structure precisely in their pedophilic mouths, which regularly suck the bloody genitals of children. The only thing that can emerge from the pedophilic mouths of incestuous Jewish parasites, who experience orgasm by sucking the bloody genitals of their own newborns, are mental viruses, which, wherever they take aggressive root, bring genocide, destruction, disease, and suffering to millions of innocent people — and Christianity perfectly exemplifies this rule.

The audacity of the incestuous Jewish parasites is so great that not only do they proclaim themselves to be the "chosen people" and even "gods," but they also believe that it is their "sacred moral duty" to "educate," through the Abrahamic religions, the 8 billion people (Goyim) living on this

planet. As can be deduced from the information presented in this article, Abrahamic "education" consists in the systematic destruction of the original pagan spiritual heritage of the Gentiles and their transformation into obedient, lobotomized biorobots — as well as the extermination of entire races that resist the implementation of this monstrous Jewish project. We, as White people (Aryans), whose glorious ancestors built astonishing civilizations in every corner of planet Earth, must not, under any circumstances, allow ourselves to be so humiliated that Jewish parasites — whose intellectual pinnacle is the mutilation and sucking of the genitals of their own newborns, incest, and the ritual murder of Gentile children — use the spiritual virus of Christianity to "educate" us and teach us what is "good" and what is "evil." These worthless, incestuous pests — Jews — who are far weaker than us in every respect (and they know this well, which is precisely why they pathologically hate us), have no right even to utter the name of our glorious race — which is hundreds of thousands of years older than them and, as such, represents the fundamental source of rational and civilized life on Earth.

Every time the Jews — those inferior parasitic vermin — allow themselves the audacity to place the noble name of our glorious race in their pedophile mouths, which are, in the literal sense of the word, breeding grounds for all manner of sexually transmitted viruses, they directly insult its dignity. Accordingly, it is the duty of every true White fighter against the Kabbalistic New World Order, in order to defend the honor of his race, to explicitly prohibit incestuous Jewish parasites from even uttering its noble name. However much this may appall the lobotomized Christian biorobots, with their mental acrobatics and cheap verbal manipulations, they cannot alter the stark and unrelenting truth: compared to our ancient and exalted name — White/Aryan — which is in every respect equivalent to the noblest gemstone on Earth, the entire parasitic Jewish race represents a mass of the most repugnant biological waste, composed of rotten pig and rat carcasses, the unbearable stench of which can be smelled from a distance greater than the area occupied by the entire Australian continent.

By fully implementing the process of relentless and thorough cleansing of every aspect of their minds from the Abrahamic (Jewish) virus of Christianity, White people (Aryans) will not only restore honor to their own race forever, but will also revive their genetic spirals, which trace back to the Aryan (Hyperborean) Gods — their direct biological ancestors. The revival of the genetic spirals of members of the White Race will mark the point of awakening of the ancient knowledge of the Aryan Gods encoded within them, thereby expanding their intellectual perception to unprecedented levels. By returning their mind — in all its facets — to the astonishing world of the

Aryan polytheistic information field, abundant with creative and in every respect healthy life potential, the White people (Aryans) will finally revive their intuitive insight into the hidden, and at the same time, extremely powerful occult symphonies woven from the vibrations of the VRIL Force, derived directly from the Aryan (Hyperborean) Gods and Goddesses, which, like huge swarms of oceanic and atmospheric currents, permeate the vast expanses of the invisible level of existence in the boundless Nature (Cosmos).

Having cleansed every aspect of their minds of the Abrahamic poison of Christianity and awakened their genetic spirals — stemming directly from the Aryan (Hyperborean) Gods— members of the White Race will be ready to face the impending global conflict — World War III — toward which the incestuous Jewish parasites are pushing humanity. It is precisely the powerful pagan Aryan egregores, extending all the way to the cosmic plane of the Hyperborean Gods, that will be the key factor protecting homogeneous White racial communities — wherever they may be on this planet — from the cataclysm of World War III, a global tragedy for which the Jews — worthless parasitic vermin — will be responsible.

The phase in which the apocalyptic storm of this global conflict will engulf the last trace of today's decadent "civilization", within whose shackles we are still trapped, will be recognized by healthy and homogeneous White communities — regardless of the spatial distance between them — as the perfect moment for the initiation of the Great Aryan Revolution. Members of the White Race, whose beings — within the aforementioned pagan Aryan egregores — have connected at all their levels with the currents of the VRIL Force emanating from the Hyperborean Gods, will then form an extremely powerful energy field on a global scale. In structural terms, this energy field will represent a huge vortex — a swastika — into the center of which, according to the dictates of the implosion mechanism, abundant swarms of VRIL Force currents will flow. The currents of the VRIL Force that will build the structure of this powerful implosion vortex will travel in a spiral from its edges to its center in a counterclockwise direction. The symbol of the right-rotated swastika will perfectly describe the direction of movement of the VRIL Force currents within that implosion vortex. The process of merging the currents of the VRIL Force, which, within the astonishing swarms, according to the dictates of the law of implosion, flow uncontrollably into the center of the vortex (destructive cyclones), will stimulate the release of enormous amounts of heat from its eye. Due to the process of uncontrolled heat release, the currents of the VRIL Force that rotate in a spiral within the implosion vortex will be transformed into powerful whips of fire. By merging these incandescent whips into a single entity, the entire implosion vortex will grow into a colos-

sal fire storm (cyclone).

At the stage when the temperature at the center of the vortex — of the Aryan polytheistic energy field — reaches its culmination point, an extremely powerful and destructive Explosive Force will be released from it — precisely represented by the symbol of the left-rotating swastika. It is precisely this devastating Explosive Force — whose powerful currents will travel in a spiral from the center of the energy vortex (the swastika) outward in a clockwise direction — that will enable the uncontrolled spread of the aforementioned gigantic firestorm on a global scale. The unleashed colossal fire storm will not only functionally signify the astonishing transformation of the energy implosion process into the devastating Explosive Force (the union of the right- and left-rotating swastikas) but will also, by embodying in each of its segments the noble concept of our Just Aryan Vengeance, reduce the entire parasitic Jewish race to ashes and smoke.

The Aryan (Hyperborean) Gods, amazed by the beauty of this colossal fiery storm, and especially by the fact that we White people — as their direct biological descendants — are finally returning to them after 1,700 years spent in the Abrahamic dungeon of Christianity, will, at that fateful moment, behead the worthless Jewish "god" (Yahweh), dismember his body, and cast his disgusting remains onto the garbage heap of history. After the Aryan (Hyperborean) Gods and Goddesses render an invaluable service to humanity through this noble act, their direct biological descendants — White/Aryan people — will exterminate the entire parasitic Jewish race from the face of the Earth and, through this heroic deed, save all healthy forms of life on it. After the White (Aryan) warriors, with the relentless blades of their knives, forever end the existence of worthless incestuous Jewish parasites on this planet, they will fully implement the process of destroying all written documents of Judaism, as well as the Abrahamic religions derived from it (Christianity and Islam), which were intended for mass consumption. In the bonfires that will be kindled across planet Earth — because it will then be transformed into a global Aryan Empire (the Fourth Reich of the Future) — all copies of the Talmud, the Torah, the Qur'an, and the Bible will be burned. After completely destroying the written foundations of all three Abrahamic religions — Judaism, Christianity and Islam — members of the White Race will, in the literal sense of the word, raze to the ground all international centers of Jewish spiritual parasitism (the Vatican, Lourdes, Jerusalem, Tel Aviv, Mecca, Medina, etc.), as well as all its local bases — synagogues, churches and mosques. However much this may appall the lobotomized Christian and Muslim biorobots (who are, in essence, evil narcissistic cowards), in the Fourth Reich of the Future — mankind's New Golden Age — no one will ever again worship the worthless

circumcised Jewish parasites — Jesus Christ, the "prophets," the "saints," and the "apostles." By eradicating the very last germ of the Abrahamic (Jewish) virus on this planet, the White (Aryan) race, in its global Reich — the New Golden Age of the Future — will bring true spiritual and intellectual freedom to humanity.

Across planet Earth, which will then be completely in the hands of the White (Aryan) race, lobotomized Christian and Muslim biorobots, who have renounced their own pagan spiritual heritage and worshiped worthless incestuous Jewish parasites as "God's chosen people," will feel all the brutality of our vengeance on their skin. Compared to the catastrophe that will then befall these narcissistic Abrahamic cowards (Christians and Muslims), the Stalinist purges will look like child's play. Essentially, these worthless Abrahamic biorobots, who worshipped incestuous Jewish parasites and found in the unnatural moral systems of their Kabbalistic religions, derived from the sick minds of these circumcised pests, the perfect justification for the most disgusting forms of behavior for which they were widely known — such as beating women, pedophilia, incest, rape, homosexuality, brutal persecution of "infidels", abuse of the weaker, etc. — do not deserve the compassion of any normal person. In vain will these Abrahamic prostitutes look to the sky and hope for a "miraculous intervention" — because then there will be neither Jewish parasites to sell them "forgiveness" for their unnatural sins, nor their tribal deity to save them from the relentless Aryan (Hyperborean) vengeance. At a time when the White (Aryan) race, with the relentless blades of its knives, will be carrying out karmic punishment on this Abrahamic moral scum — Christians and Muslims — the entire parasitic Jewish race will be in the form of ashes deep underground, and its worthless tribal deity (Yahweh) will lie dismembered in the garbage dump of history.

After the White (Aryan) race completely removes the cancerous tissue of planet Earth from its surface, all its expanses will be illuminated by the life-giving light of the New Dawn. The enchanting golden rays, emanating from the central star — the Sun/swastika — of our planetary system, will illuminate with their life-giving light the unimaginable treasures of the vast mystical world, which, being the pure fruit of the boundless creative genius of the Aryan (Hyperborean) Gods and Goddesses, has brought forth from its wondrous expanses the ancient depths on which rests the foundation of the unconscious being of every member of the White Race. The warmth of the golden rays of the life-giving sunlight will stimulate the process of awakening the innate creative genius of the White people, from whose ancient depths the Primordial Civilization Force will be released, originating from the exalted beings of the Aryan (Hyperborean) Gods — their direct biological ancestors.

After the uncontrolled power of the Primordial Civilizational Force permeates every segment of their psychophysical system, the White people will give it a concrete form at the conscious level of their beings by gradually placing its enormous creative potential in the prism of their rational mind. The magnificent visions that will be awakened in the consciousness of the members of the White Race at that moment will experience their direct manifestation at the level of the physical world in the form of the Fourth Reich (the New Golden Age of the Future) — the Third Renaissance of all mankind.

In the global Fourth Reich of the Future, which will in every respect represent the pure embodiment of the innate creative and intellectual genius of the White (Aryan) race, progress at all levels of human activity will reach unimaginable levels. The White race will, throughout planet Earth — which will then fully constitute its global living space (Lebensraum) — produce an entire army of Aryan geniuses, whose masterpieces in the fields of fine arts, music, literature, philosophy and architecture will be admired by an infinite number of its future generations. Since the global Fourth Reich of the Future will, at all its levels — and especially in the field of science and technology — far surpass all previous civilizations that have written the history of mankind, the ingenious minds of the White (Aryan) race will systematically and precisely elaborate a long-term project for the colonization of habitable planets in other galaxies. With the gradual realization of the project of colonizing celestial bodies in numerous unexplored galaxies of boundless Nature, the previously described global empire of the White Race will grow into the Cosmic Reich of the Future.
